Demolition Permit Application

Approved _____ 200_

Application No. _____
Date _____ 200_

Instructions

- a. This application must be completely filled in by typewriter or in ink and submitted to the Code Enforcement Officer.
- b. Plot plan showing location of lot and of buildings on premises, relationship to adjoining premises or public streets or areas must be drawn on the diagram which is part of this application.
- c. A copy of a current, valid certificate of insurance must accompany this application for either the property owner or the contractor doing said demolition. Specifications shall describe the nature of the work to be performed, the method of disposal of all debris.
- d. The work covered by this application may not begin before the Issuance of the Building Permit and fees are paid accordingly. The Village Noise Ordinance dictates that work cannot begin before 7 a.m. nor continue later than 9 p.m.
- e. Upon approval of this application, the Building Department will issue a Demolition Permit to the applicant. It shall be made available upon request during the entire demolition job.
- f. **It is the responsibility of the owner or contractor to notify ALL utilities involved PRIOR TO beginning any demolition work.**
